\* (Previously submitted and entered in this case)

No inference should be drawn that the attached list sets forth a comprehensive investigation of the prior art, that any or all are pertinent to the invention, or that any apparatus disclosed is equivalent to the subject invention.

The citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure

of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

**FEE**

As an RCE is being submitted herewith, no fee is believed due for this IDS. However, if any such fee is required, please charge our Deposit Account No. 50/1039.

Respectfully submitted,
